

School Community Council Agenda

October 1, 2020

- **Celebrations** - School Store is going well, kids are excited about buying items to show school spirit.
- **COVID - 19** - We talked a lot about what qualifies a student to stay home from school? Here are some topics we covered under this section.
 - How do students make up school work?
 - How do school secretaries address sick students
 - What will school secretaries say when parents call in to excuse their children because of a sickness? Do they tell them to get a COVID test before returning to school?
 - Online Work? - How do teachers provide the work?
 - Is it known that teachers will provide work to students who are sick?
- **Kindergarten Assessment** - We discussed why students did not find out their teachers until the week of school starting. This all has to do with the testing window. Mr. Argyle will look into options for next year.

The rest of the agenda we did not discuss. It will be moved to next months meeting!

- **Goal 1**
 - **Amount of Money (Trustlands)**
- **Safe School Route**
 - **Feedback**
- **Student Drop Off**
 - **Feedback**
- **Topics for next month's meeting?**

November's Agenda
